**PO Box 57002 Lincoln, NE 68505 (402)-421-8866**

***Dear Travelers,***

***Welcome to Arc Expeditions 2024!***

Enclosed with this letter is the **2024 Arc Expeditions Booklet**. The booklet lists all Expeditions for 2024. Some *expeditions* are longer, and some are shorter. Expeditions take place in the United States and are by van, self transportation, and/or airplane. Transportation, meals, lodging (if applicable), and sponsors are included in each expedition. All expeditions are supervised and use a 3:1 ratio for Sponsors. Special accommodations may be made for individuals requiring additional supervision. Expeditions will be held as long as a minimum number of travelers have submitted completed paperwork and payment. Please read this **2024 Arc Expeditions Booklet** thoroughly to choose one or more expeditions.

Once a Vacationer has decided to travel on one or more expeditions, the enclosed **2024 Vacationer Application** and **2024 Profile Form are to be completed**. The consent must be signed by the vacationer and include, if applicable, a guardian signature, as well. Mail both completed forms along with the deposit check to The Arc of Lincoln at the address listed at the top of this letter. The Arc encourages Vacationers to send the fully completed (all areas must be completed) application, profile, and deposit as soon as expeditions have been selected.

Once the application is processed, a confirmation letter will be mailed. The letter confirms enrollment in chosen expeditions. Enrollment in an expedition may only be considered upon receipt of the confirmation letter.

Health and safety are priorities. The Arc of Lincoln asks all travelers and sponsors to consider receiving the Covid-19 vaccine for the safety of everyone! It may, also, be an expectation that all travelers and sponsors wear a face covering in places that are mandated for the safety of everyone. Please bring a face covering just in case.

Please note the application deadlines for each expedition are listed in the 2024 Arc Expeditions flier. All forms for The Arc Expeditions on The Arc of Lincoln website, found on [www.advocacypartnership.org](http://www.advocacypartnership.org),

**Happy Travels!**
